

## **EDUCATION**

**University of South Carolina Columbia**, Columbia, SC

Pursuing a bachelor's degree in computer engineering

*Expected Graduation: May 2029*

- GPA: 4.0

**University of South Carolina Aiken**, Aiken, SC

*August 2023 - May 2025*

**Aiken Scholars Academy**, Aiken, SC

*August 2021 - May 2025*

- Honors: AP Capstone Diploma, National Merit Finalist
- 

## **WORK EXPERIENCE**

**Scientific Research Corporation**, Augusta, GA

*Cyber Intern, May 2025 - August 2025*

- Supported secure network infrastructure by installing and managing virtualized environments and configuring key network services across multiple platforms.
- Configured key network services including Active Directory, DNS, DHCP, and web servers on both Windows and Linux systems.
- Applied knowledge of networking fundamentals, including the OSI model, IP addressing, and firewalls, to support daily operations.

**The UPS Store**, Aiken, SC

*Sales Associate, June 2023 – April 2025*

- Deliver efficient customer service by utilizing quick problem-solving skills and effective communication in a busy, high-stress retail setting.
  - Optimize packaging solutions for a wide variety of items, ensuring safe transit and cost-effectiveness for customers.
- 

## **PROJECT & RESEARCH EXPERIENCE**

**Undergraduate Research Assistant**, Robotics & Drone Lab (*Dr. Nikos Vitzilaios*), September 2025 – Present

- Contributed to robotics research focused on computer vision algorithms for Unmanned Aerial Vehicle (UAV) tracking.
- Utilized Python, ROS (Robot Operating System), and Ubuntu to develop and test robotics software components.

**Cyberpatriot Club**, 2022 - 2025

- Developed and executed defensive cybersecurity strategies to secure Windows Server 2019/2022 and other platforms under strict time constraints.
- 

## **SKILLS**

- **Languages:** Python, C#, Java
- **Technical:** VMware vSphere/vCenter, Active Directory, DNS, DHCP, Windows Operating System, Windows Server (2019, 2022), Linux, Microsoft Office Suite, ROS Fundamentals
- **Knowledge:** Entry-Level OSINT, Networking Fundamentals (OSI Model, Routing, Subnetting, IP Addressing, Firewalls, VPNs),
